NSA Codebreaker Challenge

2020 Challenge Scenario

A renowned American journalist went missing while on assignment abroad. A criminal organization, well known for using drones in their kidnap-for-ransom, has claimed responsibility for the incident.

Your mission is to:

1. Locate the missing journalist and hostage takers' current position.

2. Facilitate the recovery of the journalist and take actions to prevent another incident from happening!

Who: U.S. based academic institutions

What: Annual CNO/Crypt themed challenge event
